Prepare yourself by registering for our Gold Standard upcoming Board Professional Expert Certification Program. <https://boardwise.biz/board-certification-program.html>

Advantages of This Program

- Convenient online live sessions to meet and speak directly with experts on global governance and key topics
- Assess your individual board style and what your personal value is for board performance
- Have personal consultation with advisor for strategy to secure an ideal role and to prepare your board bio
- Presented for potential board roles as a member of the Boardwise Registry and the Bolster director program
- Affordable program relative to other options, especially with affiliate member discounts

WHAT GRADUATES SAY:

“Boardwise’s certification program was life-changing! It made me see things with entirely new ways to weigh and address challenges in businesses and board duties.”

“The Boardwise program is amazing. The facilitation is deep and relevant. I am so impressed with how participants receive feedback in ways that support and build on people’s abilities and styles in addressing board situations. Their knowledge is clearly extensive and their warmth and openness is incredibly wonderful.”

“Boardwise’s certification is just what I needed. The instructors are amazing. The practical training on how to think and communicate as a board member is tremendously valuable.”
