WHAT GRADUATES SAY:

“Boardwise’s certification program was life-changing! It made me see things with entirely new ways to weigh and address challenges in businesses and board duties.”

“The Boardwise program is amazing. The facilitation is deep and relevant. I am so impressed with how participants receive feedback in ways that support and build on people’s abilities and styles in addressing board situations. Their knowledge is clearly extensive and their warmth and openness is incredibly wonderful.”

“Boardwise’s certification is just what I needed. The instructors are amazing. The practical training on how to think and communicate as a board member is tremendously valuable.”
